## Contacts

**Robert Hughes**  
Global Program Manager  
Responsible for overall coordination, risk, issue & stakeholder management

**Cristina Berga**  
DHL Supply Chain Global IT Product Owner responsible for solution validation support via Centre of Excellence

## Objectives

✓ **GET READY!** Feb 9<sup>th</sup> 2019

 **DHL Locations**
 **Pharma Customers**

Enabling our **customers** to meet the **regulatory compliance** requirements of the FDA 2011/62/EU by developing a **solution to scan and decommission serial numbers** on destruction, return, or export.

## Recommendations

Involve **everyone** ...and as early as possible

Adopt a **sprint** methodology

Establish daily **stand up** calls during final phase

**Track & measure** readiness

**Leverage data** gathered post go-live

## What is next?

**DSCSA US Serialization 2023**

DHL participates with TRACELINK on the **FDA Pilot**

**Saudi Arabia and Russia**

Meet export requirements
