Preparing for Saudi Arabia Compliance Reporting

Regulatory update: The Saudi government has notified registered users of the government's drug track and trace system (RSD) that the deadline for aggregation of medicines is now August 20, 2020.

In this video, TraceLink SVP of Product Marketing Lucy Deus provides a concise overview of the January 2019 Saudi reporting requirements and the Saudi reporting system.

As the leading provider of track and trace solutions for the pharmaceutical industry, TraceLink's proven compliance platform and integrated digital supply network provide a purpose-built foundation for meeting Saudi regulations and give companies a significant advantage over implementing a customized solution.
